

LEADERSHIP LESSONS LEARNED WHILE FRYING CHICKEN

presented by

OPUS Productivity

A Personal Discovery and Leadership Workshop

If you are looking for a team building workshop or keynote presentation, we have just the ticket for you!

This highly interactive, entertaining, yet profoundly important session focuses the participants on understanding and celebrating their strongest personality attributes AND the need to adapt behavior as necessary to meet the requirements of work and life. Your organization will have clear and definable metrics to provide guidance

and leadership to your workforce. The session is light-hearted but teaches invaluable lessons, as it celebrates the differences of all people but recognizes our responsibility to meet each other half way. Fast moving and fun, your people will love the session, and your organization will gain insight into your most valuable business asset - your people.

Contact us immediately to reserve your workshop date. We look forward to serving you!

"Bob's program has helped me to better adjust my style with my direct reports and portray to them how I like to be communicated with. Being more accurately aware of the different personality traits and styles creates a much better high performance team. We will continue to have OPUS engaged with our company in the future." - Marc B.

What will this workshop achieve?

- People will feel they are known.
- Leaders will know they have a responsibility to drive results from diverse strengths.
- Executives will see how a culture of building on talent trumps fixing deficiencies.

"The leadership workshop was very well received by our 150 key managers. Bob's presentation style was both precise as well as entertaining. The overall feedback of our leaders was overwhelmingly positive and many of them want to further leverage the program within their departments." - Mary B

Bob Kreisberg is founder and CEO of OPUS Productivity Solutions, an Orange, California based company that provides products and services to help organizations make more informed hiring decisions, and improve employee productivity.

Bob is a certified instructor of the Professional Dynametric Profile system, and has been involved as either an instructor or as an end user of this particular program for twenty eight years.

Bob is a contributing author to "101 Great Ways to Enhance Your Career" and his work has been featured in two Inc. Magazine articles as well as a best selling sales training book, "Kick Your Own Ass: The Will, Skill, and Drill of Selling More Than You Ever Thought Possible." Prior, he spent 17 years in industry, ultimately running a business unit for a NY Stock Exchange company.

"It opened up my mind about how to get things done with other people who have strengths that I did not recognize or appreciate. This program made me a better manager."

- John J.
